## 5 places to visit in Andalucía

By Patricia Bech on Oct 11, 2019 in Attractions, Europe, Going Out, Regions, Spain, Western Europe

Andalucía has so much to offer. There is delicious food, splendid sunshine for much of the year and many cultural delights to enjoy. The scenery is also dynamic. This part of Spain is home to beautiful mountain ranges, as well as long stretches of coastline. Some of the beaches are untouched while others are occupied by lively clubs.

The towns and cities are diverse in this part of Spain. Seville and Cadiz are traditional cities that are steeped in history. The likes of Malaga and Marbella both have old town areas, but they are also known for having a vibrant international tourist scene. Marbella has become very popular in recent years and a place to be seen. Meanwhile, the upmarket area of Sotogrande is known to house many rich and famous families from Europe and Puerto Banus attracts the big spenders with its designer boutiques overlooking the marina.

When visiting this area of Spain, you can fly into a number of different airports. Seville, Malaga and Gibraltar are the popular choices. If you want to tour this region and get the most out of your trip, it may be a good idea to land in one airport, hire a car and then depart from another. This means you can make the most of the diversity offered by visiting some of the famous places but also exploring some hidden gems along the way.
