Family Life On Film

## ABOUT HOLLYBOBBS

Hollybobbs, named after my daughter, is the home of our memories. Here you will find videos from our day to day lives and travels as well as hauls, reviews and chats. I have a huge passion for videos and in particular editing and am constantly working on improving my skills and creating videos I can be proud of. If you are looking to work with an up and coming parent vlogger then please do contact me for further information.

Travel [PLAY ALL](#)

I normally upload to YouTube three times a week @ 8pm.

My audience is primarily females aged 25-40, to whom my content is most relatable.

I am particularly pleased with my Reviews and Travel playlists.

I spent four days in Berlin with Jet2CityBreaks. I saw so many different sights and was really taken aback by how much I loved the city.
