

A night under the stars

Gather under the quilt and fetch that steaming cup of hot chocolate, because this Bonfire Night is not only going to be the cosiest yet, but also the most stylish with these top picks from Homescapes to help create your dream evening under the stars. Why stop there? Do it all again for the winter solstice!

For those who want a pop of colour within their homes and gardens, the Pastel Blue Mora Faux Fur Velvet Throw comes available in a range of pastel hues, and has been lovingly handwoven from a luxurious faux fur velvet in a jacquard chambray weave. Alternatively, keep it timeless with the Black Houndstooth 100% Cotton Bedspread Throw; soft to the touch and made from 100% cotton, this throw will add comfort and character to your outdoor set up.

Did someone say s'mores? The new Cast Iron Outdoor Cooking Pot 6kg includes a cast iron lid and metal lid hook tool with an ash wood handle, and also acts as a fire pit, ideal for keeping those toes and marshmallows toasty. Crafted from high-quality materials, it will last for many years to come.

Add a touch of Nordic charm and colour to a dreamy evening set up with the Jaipur Handwoven Brown and Orange Kilim Cushion with Feather Filling - also available in 2 other traditional prints.

Snuggle up together and await the firework display. Don't forget to add some extra comfort to those garden benches using the Grey Bench Cushion. Woven from 100% cotton, this cushion adds more support to the seating area and is available in chic grey and a wide variety of other shades.
