

Biophilic Beauty

It has been proven that we are happier when surrounded by plants, greenery or visual aids that represent nature and all of its elements. So spread this concept throughout the home to ensure a happy, fresh space for the mind, body and soul, with a biophilic inspired scheme.

Duck Egg Blue & Natural Jacquard Embroidered Trees Cushion Cover - £5.99

Artificial Bonsai Tree in Black Ceramic Pot - £29.99

Ochre Sienna Pencil Pleat Curtain Pair - from £31.49

These charming Jacquard Embroidered Trees Cushion Covers are available in two neutral colours, Natural and Duck Egg Blue; both of which lend a calm and tranquil aesthetic to any room. This classic embroidered tree design in a luxurious textured weave instantly transforms the space and is a real eye catcher. Symbolising balance and harmony, the Artificial Bonsai Tree in Black Ceramic Pot injects a little peace into the home. Its realistic faux design has been handmade to ensure botanical accuracy, all the biophilic beauty with none of the maintenance. The Ochre Sienna Pencil Pleat Curtain Pair will be the focal point within any living area, guest room or bedroom, with pussy willow branches cascading across the fabric. These contemporary curtains will easily add life to any dull room that needs a little colour. Both on-trend and bright, these curtains have been lovingly hand woven with jacquard weave and are designed to block out light, making them ideal for those lazy weekends.

Green Floral Outdoor Rug with Bumble Bee Design - £24.99

Green Fern Hanging Plant - £24.99

Perfect for the patio, the Green Floral Outdoor Rug with Bumble Bee Design has been woven from recycled polypropylene. Weather resistant, meaning its perfect for all year round use, it can also be used as a stylish indoor rug for living areas and hallways. With olive green being one of this year's most loved colours, this rug is sure to be a keen favourite. Hanging plants have been seen year after year, and never go out of style. The Green Fern Hanging Plant is a bohemian dream. Potted inside a modern grey melamine pot, this long and leafy artificial trailing plant is suitable for indoor and outdoor

decoration. With a rustic style rope, it would be a welcome addition to a wide range of interior styles, including contemporary, Scandi and Nordic looks.
