

Branco Collection from där lighting

Geometric shapes fuse contemporary and classic for an encompassing look that will stand the test of time. Simple, clean lined designs will add a hint of interest without overpowering a space. The Branco collection from där lighting brings geometric back to its roots with striking yet subtle angular shades.

The **Branco 3 Light Floor Lamp** proudly displays a trio of adjustable heads, meaning this versatile lamp can cast a wide glow or shine a more direct light on that favourite reading nook.

The **Branco Table Lamp** and **Wall Light** also feature adjustable heads. The **Branco Wall Light** comes complete with a pull cord switch making this design a great choice for those occasional spots where you want to turn the light on and off independently. The **Branco Table Lamp** serves as a stylish accent for the home office or hallway console.

Ideal for over the kitchen island, the **Branco Pendant Light** can hang low or sit close to the ceiling.

All Branco designs are finished in satin gold and matt black, bringing an added touch of warmth and modernity to the pared back silhouettes.
