

Ceramic Celebration

Ceramic light fixtures add a sense of craftsmanship and tactility. Soft tones of cloudy white, blues and greys bring a serene, Mediterranean touch, while boldly coloured bases introduce a splash of playful expression.

The **Foden** and **Lando** wall washers are supplied in white ceramic but can be transformed using any emulsion paint. The matt white glaze will make an understated impression, or make use of tester pots and paint them to match your wall scheme.

Nazare is a beautifully proportioned tall table lamp with a hand applied, graduated, gloss black glaze on white. Handmade in small batches, this design is a gentle work of art. The **Prospect** table lamp in a ginger jar shape, features a neo-classical dome taken from an original architectural draft and coloured to complement the teal ground. A matching border adorns the top of this lamp with hand painted gold banding.

Dozens of individual ceramic petals surround the **Phillipa 3 Light Pendant** to create a beautiful artichoke inspired shape. Light spills around the petals and shows off the varying translucency of handmade ceramics.
