

Chic & Chevron

The revival of 70s chic means chevron has never been more on trend. Good thing Atkin and Thyme have a range of chevron inspired designs that are ready to bring this style icon back from the past and very much into the present. This eye-catching bedside is perfect for storing evening essentials. Crafted with the finest whitewashed mango wood and with a striking brass plated frame and handles, these Chevron Bedside Drawers offer plenty of space and add a luxe boutique finish to the home.
