

Down to earth

Sun soaked terracotta and enveloping earthy tones are set to be some of this summer's hottest shades. The Brown and Cream Leather Cowhide Butterfly Chair is a must have for the eclectic, retro home. Handcrafted by skilled artisans, this stylish addition to the home fits into this trend effortlessly. Pair with the Cream, Brown and Tan Hide Check Stool with Wooden Legs, and the Small Round Artificial Cactus in Terracotta Pot, 15cm Tall for some ranch style flare. These stunning butterfly chairs are also available in a traditional Dark Brown Leather, as well as Tan and Brown Diamond designs.

Made by hand from recycled offcuts, the Tan Brown Real Leather Suede Cushion with Feather Filling will introduce texture to your seating area and never go out of style. The Brown Real Leather Handwoven Diamond Pattern Rug features a modern geometric pattern, and when paired with the Artificial Cactus Prickly Pear in Stone Pot 26 cm Tall, makes us feel like we could be sat back enjoying a Mexican heat wave.
