## Get in Shape

A fun and playful way to add character to the home, sculptural furniture is a favourite across modern Scandi fusions and contemporary schemes. With a fine balance between maximalism and minimalism, shaped designs are a must-have for reinvigorating simple spaces.

The living room is always a social hotspot in need of extra seating. The Natural Large Round Cotton Knitted Pouffe Footstool is a cosy additional seat for loved ones with its embracing curvaceous structure. Available in 18 colourways, this firm favourite would also make for a lovely treat for the family pets, as its high quality, resilient materials would certainly be able to withstand their claws. The Modern Dakota Z Shaped Side Table has been handmade and skilfully crafted from 100% mango wood. This fuss-free design is a fun, unique way of displaying books, plants, or treasured essentials next to the bed, guest bed, or sofa. With defined lines finding their home within modern décor**,** the 100% mango wood Orion Hexagon Coffee Table in Natural offers a striking geometric style that has been inspired by industrial aesthetics.

The Dakota V-Shape Triangle Nest of 2 Tables, find all the right angles and are both functional and on-trend. The round cushion has made a comeback this season with its kitsch charm that harks back to the 70s. This Round Burnt Orange Velvet Cushion would be ideal for reflecting the shapes around the room and is available in 7 other gorgeous tones.
