

Life's Peachy

As the summer nights draw in and the air turns crisp, it's all about craving comfort. Sorbet shades aren't just for summer. Nougat peach and warm pinks are on trend this autumn and winter, being described by Pantone as 'nurturing' colour schemes 'with inviting warmth'.

Why not spread that warming tone throughout the home and into the bathroom? Homescapes have a wide variety of high-quality bathroom pieces that are practical and luxurious. The Imperial Plain Bath Mat in Peach is made from lavishly soft cotton towelling and makes stepping out of the bath feel like a spa day, without breaking the bank. This chic bath mat perfectly matches the soft Turkish Cotton Peach Bath Towel Set which consists of a Face Towel, Hand Towel, Bath Towel, and Bath Sheet. Each towel can also be purchased individually. The Luxury Two Piece Cotton Bath Mat Set in Peach is not only made from 100% cotton, but is highly absorbant.

The Pink Cotton Stripe Cot Bed Duvet Cover Set is part of the new Children's Bedding Collection by Homescapes, and can be found in an array of colours and matching designs. The dreamy pink shade creates a positive, safe and calming space for that all-important good night's sleep. Woven from the softest Egyptian cotton, this 330 thread count duvet set is naturally hypoallergenic, breathable and comes with a matching pillowcase. Co-ordinating bed sheets are also available. The Peach Peony Tree in Black Pot stands at 100cm tall and makes for a great decorative addition throughout the seasons. The artificial plant range from Homescapes is well-known for its realistic and high-quality designs, and this peach inspired faux tree has been handcrafted by skilled experts to ensure botanical accuracy.
