

## LAURA ASHLEY

### New Clemence Collection

The stunning new Clemence range from Laura Ashley Lighting and Mirrors has been designed with the classic contemporary home in mind.

The Clemence mirrors all feature deep rims of bevelled mirrored tiles which in turn add interesting reflections around the space. Finished in an opulent gold leaf, the frames are available in square, rectangle and circular designs and a variety of sizes. Due to their versatility they can be used in a variety of rooms throughout the home; ideal for hallways to make an impact on arrival, or to elevate living spaces.

**“Our new mirror ranges have been carefully created with quality and luxury at the forefront of our mind. The Clemence collection captures both modern and vintage-deco concepts that beautifully tie together resulting in these golden treasures that would complement a variety of schemes.”** Mary Buchanan, Creative Director of Laura Ashley Lighting and Mirrors.
