
ATKIN AND THYME

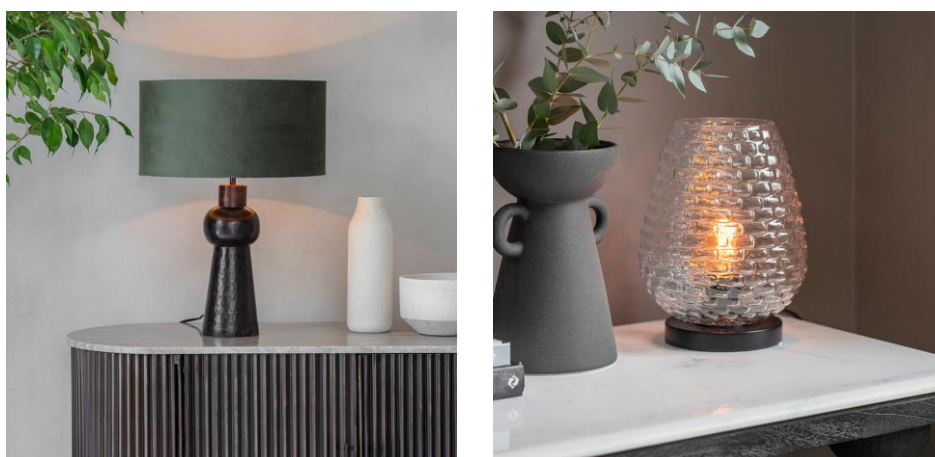

New S/S Lighting

Introducing this seasons new lighting from Atkin & Thyme. From ambient, feature lighting to task reading lights, there is a design for every space.

The Hive Glass pendant light provides the understated, elegant look many spaces demand. Its glass design allows the light to shine through while the glass shade brings an extra third dimensional element. Perfect for kitchens, dining areas and open-plan schemes, the light works well independently or when hung with more than one in a cluster. The range also includes a matching table lamp.

The Spindle pendant adds warmth and texture. Made from sustainable solid mango wood, this light is perfect for hanging over bedside tables, kitchen islands and breakfast bars. Whilst the Shell pendant, crafted from burnished copper is a statement piece showcasing its stunning patina in different lights. Works perfectly in key entertaining areas.

Left to Right: Hive Glass Pendant Light £69, Spindle Pendant Light Natural £49, Shell Burnished Copper Pendant £89, Billie Table Lamp £79, Hive Table Lamp £69
