

Laura Ashley

Reinvented Heritage

Laura Ashley Lighting and Mirrors are known for their signature British style that has been loved for decades. Their current collection comprises a range of designs that still holds the trademark style close, whilst exploring and incorporating fresh, modern twists.

Moving away from their daintier shades, Laura Ashley Lighting and Mirrors have incorporated a range of jewel colours within their latest lampshade collection, including this vibrant Hemsley Silk Shade in Yellow Ochre.

The brand has always boasted an impressive range of pendant and chandelier designs and that legacy continues; the Clara Semi Flush Antique Brass Crystal was born to be in the spotlight with its classic shape that is met with a decorative, on-trend antique finish.

Still capturing the vintage, iconic look of their traditional table lamps with a chic twist, the new Regina Table Lamp Range consists of three modern colours; Pink Blush, Pale Slate Grey and Seaspray Blue.

The Rufus Range has been inspired by the Isaac Collection. Putting an effortless country spin on industrial style, the Rufus Pendant emboldens Antique Brass with an Ember shade.

The Atherton 7lt Semi Flush in Satin Brass Glass has taken one of the most popular designs in lighting right now, the multi-arm pendant, and combined a nod to space age and mid-century aesthetics, with Laura Ashley luxury through its sparkly light and Satin Brass frame.
