

Spa Style Bathroom Lighting

“Spa style bathrooms often stick to a neutral scheme, using capsule colours and indulgent materials such as marble or stone. Brass and golds will add a luxurious gleam while matt blacks exude drama and ground a scheme. Minimalist designs with a hint of texture are best for achieving a calm, considered aesthetic, but if you want to conjure a sense of boutique residence, try using a tiered flush.

Opal shades distil the light and present a milkier glow. This softer light is perfect for encouraging a relaxed mood. Layering your lighting to provide task, ambient, and accent points is crucial to ensuring this space can be used for the everyday as well as relaxation. Dimmable spotlights and warm white LED wall lights will create a more focused stream while being versatile enough to support a gentler impression.” – Peter Legg, lead designer, där lighting.

The beautiful **Deuce Wall Light (IP44)** is mounted on a white marble plate which features a discreet push button. The dark grey curved arm is finished with an opal glass shade. Simple yet effective, the **Black Bathroom Semi Flush (IP44)** would also look at home in other rooms of the house. The **Alrik Bathroom Wall Light (IP44)** brings a modern look with its combination of matt black and ribbed opal glass. A pairing Alrik Flush is also available.

Inspired by a 1920s school light, the **Caden Bathroom Flush (IP44)** looks great in a traditional art deco themed interior and alongside the matching Caden Wall Light. The **Keegan Bathroom Wall Light (IP44)** is an elegant wall light with frosted reeded glass in a satin brass finish.

The **Paulita Bathroom 5lt Flush (IP44)** features tiered rods infused with bubbles to give an interesting and playful alternative to crystal. The **Isumi 4lt Flush (IP44)** features hanging textured glass complete with a polished chrome finish.

ABOUT: Founded in 1971 by a young art student with a mission to bring good design and inspiration to home lighting, där lighting is a long-running family business based in Banbury. As one of the best-known designers and distributors of lighting in the UK, the local design team works to create exceptional and innovative designs that add individuality and ambience to any home. The lights are then sold through a selection of specialist retailers, chosen for their knowledge, expertise and ability to offer a great customer experience; där has worked with some of these for more than 40 years. The där brand is trusted, stands behind the quality of its products and is ready to help wherever and whenever it can.
