
LAURA ASHLEY

Take the Floor

As the autumn approaches there's never been a better time to layer lighting within the home.

Mary Buchanan, Creative Director for Laura Ashley Lighting and Mirrors explains, "Floor lamps can play an important role in creating a welcoming cocoon. Placing lights at different heights within a scheme creates a lovely, cosy atmosphere when it gets dark."

These unique designs from Laura Ashley Lighting and Mirrors are ready to take to the floor! With a twisted glass and vintage polished nickel design, the Laura Ashley Louis Twisted Glass and Polished Nickel Column Floor Lamp Base is a stylish addition to the office, living area or bedroom. This statement piece has classical details all within a timeless candlestick form. For a touch of glamour, the Laura Ashley Vienna Crystal and Polished Chrome 3 Light Floor Lamp features a bevelled glass 'coffin crystal' with a glittering fountain of square-cut faceted glass droplets that fall to a central point, making it the focal point of any room. All the metalwork has stunning finishing touches of bright, polished chrome. The Marlowe Polished Nickel Swing Arm Floor Lamp with Shade provides an Art-Deco aesthetic, as well offering an excellent design for reading. With metalwork in bright polished nickel, a grey slubbed linen drum shade and a double-jointed elbow arm, this light will beautifully illuminate any corners.
