

Tropical Hints from där lighting

Introduce an exotic touch to interiors with some tropical treats from där lighting. A fun refresh for the summer months, these characterful pieces evoke the feeling of warmer climes and sport a glamorous finish.

The quirky **Cara Pendant** looks great combined with rich green and desert tones. A bold addition to any bedroom, living room or hallway, the long leaves envelop a central bulb to create the look of a palm tree. To keep the beachy feel flowing throughout the home, pair it with the **Palm Table Lamp Base**. From rich fiery reds to linen white, the **Bamboo Tripod Table Lamp Base** and **Floor Lamp Base** can be teamed with any shade but embraces the **Bamboo Easy Fit Shade** or **Filip Easy Fit Drum**, which is also available in the form of a co-ordinating table lamp base.

Alongside the range of botanical concepts is a charming collection of animal designs. The newest member of the pack is the **Zira Monkey Table Lamp** framed in gold or silver. This playful lamp is sculpted with high detail and texture and comes complete with shade. Celebrating one of the famous 'Big 5' are two recently released table lamp bases. The **Eliza Table Lamp Base** depicts magnificent leopards prowling through the tall grass across its sand-coloured base with hand painted black and gold accents. These large cats can then be found adorning the modern lozenge-shaped **Tigris Table Lamp Base** which features a white ground, luxurious leopard skin border and gold painted edging.
