

## PRESS RELEASE

Issued: September 2015. Immediate publication

### The ultimate gifting experience for a unique personalised Christmas

Here at Made Lovingly Made, Christmas really is the most wonderful time of the year! We are brimming with new festive innovation from greetings cards to decorations to quirky advent calendars and coasters, we can't wait to start personalising gifts for all the family. Our beautiful wooden products are made to order in our little workshop in Christchurch, Dorset and hand finished to a high quality with love, care and attention ensuring that we provide the ultimate gifting experience.

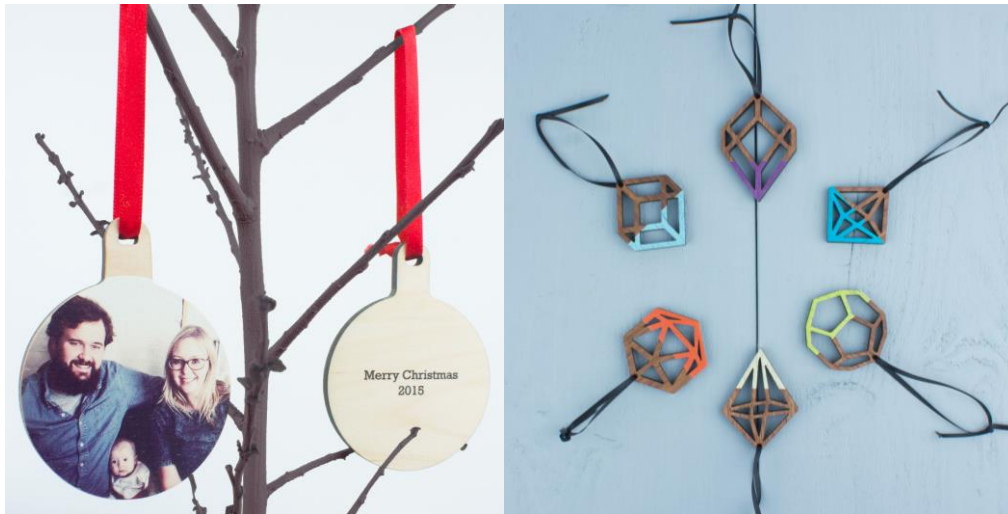

Particular highlights include the **Christmas Jumper**, **Mistletoe**, **Gingerbread Man**, **Rocket** and **Geometric Star Greetings Cards** which double up as awesome tree decorations. Printed with individual festive messages, the pieces simply pop out and can be threaded with string for a unique tree embellishment that will last a lifetime.

Providing the perfect stocking filler or Secret Santa gift is the **Photo Wood Coaster**; upload a comical picture of yourself in something suitably festive such as antlers or tinsel or just select your favourite image and we will print it directly onto the wood coaster. Alternatively, the **Telegram** offers a traditional way to send Christmas wishes or perhaps to send a child a message from Santa Claus adding a magical touch to Christmas time.

The **Photo Wood Bauble** is a great way of celebrating a baby's first Christmas or remembering loved ones no longer with us. Cut out in the shape of a traditional bauble, a photo can be printed directly onto the wood giving a beautiful grained finish. Offering a splash of colour but with a rustic feel, the **Geometric Wood Shapes** come in a set of six and will look right at home on any tree.

Counting down the days to the 'big day' is a huge part of any family's Christmas and what better way to do so than with our **Activity Advent Calendar**. Each wooden piece is numbered from 1-24 and has a Christmas related activity printed on the reverse, a novel way to get all of the family involved in embracing the festive spirit on the lead up to the 25<sup>th</sup> December. With suggestions such as 'watch a Christmas film', 'hang the decorations' and 'sing some carols', there will be something for everyone.

What's more, we are offering consumers **15% off** of all Christmas related items until **30<sup>th</sup> November** when using code **CHR15** at checkout, so be sure to browse our full collection at [madelovinglymade.com](http://madelovinglymade.com).
