The brand new **Artisan Oak+ Cork** collection, is made up of *six authentic plank designs* with super-matte, natural wood grain textures. They are the perfect blend of luxe scandi style and incredible practicality. With excellent sustainability credentials, this collection complements both new-build and more traditional homes.

# Bergen

## *Artisan Oak+ Cork* **Bergen**

This light oak feels fresh and modern, bringing a stylish and seamless look to open plan living areas.

# Torsby

## *Artisan Oak+ Cork* Torsby

A soft natural tone with warm lowlights. These planks bring a scandi feel to bathrooms and kitchens.

# Stavern

## *Artisan Oak+ Cork* Stavern

A classic mid oak tone with honey highlights.  
This colourway is truly versatile and provides warmth  
to kitchens, hallways, bedrooms - all over the house!

# Forest

## *Artisan Oak+ Cork* **Forest**

Rustic and multi-tonal, these authentic planks bring the outside in, adding extra warmth to cosy corners and luxe living rooms.

# Alesund

## *Artisan Oak+ Cork Alesund*

Casual and contemporary, this ice blonde tone creates a lighter space which is modern and practical.

# Narvik
