

Trimerix are hosting a wireless seminar for non-technical people looking to implement or exploit wireless technology in their product. Topics to be covered include technologies including:

- GPS,
- Zigbee,
- Wifi,
- Bluetooth
- GPRS
- General license free radio technologies

We will be discussing the various technical and cost trade-off's typically encountered. Trimerix will also be providing an overview on the technical and legislative processes and requirements with specific emphasis on the requirements for European compliance.

Date: 29th April 2009
Time: 9:30 – 11am
Location: Cressex Enterprise Centre, High Wycombe, HP12 3RL
Cost: Free of charge

If you are interested in attending then please could you contact Dana Gaylard on 0844 567 0597 or email dgaylard@trimerix.co.uk.
